UND China Summer Study Abroad Program

2017 CHINA
Summer Study Program

BEIJING | XI’AN | SHANGHAI
MAY 15 - JUNE 4

Fee: $2,900

Program fees cover all hotels in China; in-country transportation from Beijing to Xi’an to Shanghai; all hotel transfers; all tours and tour guides; most breakfasts; a farewell dinner; Chinese visa ($140); non-refundable UND Study Abroad Application fee ($50); and UND required medical insurance.

Program fees do not include the following additional costs to students: summer school tuition (6 credits); some museum entrance fees; travel to and from China; U.S. passport; inoculations or other medical costs; most meals and entertainment in China.

(The fees are based on the 2016 costs and are subject to change until the trip is booked.)
REQUIRED COURSES

- One Spring Course at UND
- Two Summer Courses in China

This exciting faculty-directed study abroad program is open to all UND students regardless of major and offers an in-depth examination of China, a region of growing global importance.

POSSIBLE ACTIVITIES

BEIJING
- Great Wall
- Forbidden City
- Summer Palace
- Tiananmen Square
- Temple of Heaven
- Panjiayuan Market

SHANGHAI
- Yuyuan Garden and Old City
- Jade Buddha Temple
- Residence of Sun Yat-sen
- Shanghai Museum
- Ming-style canal town
- HuangPu River Cruise

XI’AN
- Terracotta Soldiers & Horses
- Forest of Stone Tablets
- Shaanxi History Museum
- Qianling Mausoleum

COURSE REGISTRATION

All participants must enroll in three UND courses as follows:

Spring 2016 (3 credits at UND)
BADM 316
Introduction to Business in China
Tu/Th 12:30-1:45pm

Summer 2016 (6 credits in China)
BADM 318
China Then and Now
BADM 319
Business Fieldwork in Shanghai

Tuition for the two summer courses in China is payable according to the normal UND summer session tuition and fee payment schedule.

In addition, students should plan to purchase their roundtrip airfare to China (est. $1400) before the end of February when rates tend to increase.

Students may apply for an increase in their spring and summer financial aid package based on increased program costs.

No inoculations are currently required for travel in China. However, hepatitis A and B are highly recommended for travel in Asia. Please consult with your doctor early.
